File set up:
Please build creative to overall dimension. Be sure to keep all important text and images 2" within the outside edge. Files are printed on duratrans, a translucent-base film which allows light to diffuse through and should be set up 100% to actual size at 200 dpi resolution in CMYK. Please save as PDF or JPG files.

Artwork:
Please email all artwork & print ready files to: kristina@mediausainc.com. If you have any questions or encounter problems regarding your overall file size, please contact Kristina Vis at 800-567-8526 ext. 23.

File Due Date:
Files should be sent 10 days prior to posting date to ensure they post on time.
